

Scholarships

- There are many scholarships, bursaries, grants, and student loans available to help you finance your post-secondary education. The best way to find out about them is to go to the websites below as well as the individual University and College websites (look for a “*scholarships*” or “*financial aid*” link).
- There is also a “Scholarships” corner in the Student Services office with a filing cabinet that contains many scholarship applications, all conveniently arranged by the month the particular application is due.
- You can also visit pages 29-32 in the front section of your Nepean High School planner to learn about our in-house Student Awards.
- Also, there is a good book in the shops called “Scholarship: A Handbook of Scholarships, Awards, and Financial Assistance for Canadian High School Graduates” by Brian Harris. It is sponsored by the Canadian Guidance Services and is quite comprehensive. The ISBN number is 9780929079226.
