Student Fees

Nepean requests a yearly Student Activity Fee of \$30.00 from all students. This voluntary fee will only be spent on students and their activities, such as Student Planner/Agenda, Students Council Activities, Fine Arts Extra-curricular Activities, Interscholastic Programs, Student Clubs, Student Recognition and Leadership Training, the Grade 9 Welcome BBQ, Student Body Activity Days, and other projects such as student conferences and student initiated projects. In addition, these funds enable the school to utilize the Canadian Achievement Test (CAT-3) and a learning styles inventory early in grade 9. This provides information to our student success and classroom teachers to better meet the academic needs and learning styles of our students. As well, the Student Activity Fee also provides grade 11 students with the Jackson Vocational Interest Survey. The results of this survey help students to identify potential career and academic pathways post secondary.

Nepean High School Yearbook

Yearbook: Show your school spirit, buy *Acta Nepeani*

Buy your school yearbook early to make sure you get a copy. Every year students come to us in June asking to purchase a yearbook. Unfortunately, we must turn many students away because we order the number of yearbooks that are purchased by students in the fall. Don't be left out – **order your yearbook in September**. In September, the cost of the yearbook is **\$35**; orders are taken until October and the price increases in June if there are extra books for sale.

Two important items:

- 1) Please return this form to the school along with a **cheque or money order only**, made out to Nepean High School. Have the **bottom signed** by an office administrator.
- 2) **Keep the receipt for your records; you *may* need to show it in June to prove that you purchased a yearbook.** If something goes wrong with our orders and you **do not** have your receipt, we cannot guarantee you a yearbook.
